How do I become IRCA certified?

Successful completion of this IRCA certified training course does not mean that you are automatically registered as an IRCA auditor. However, your training provider will issue you with a certificate which can be used in support of your application to become an IRCA certificated auditor. You will need to complete an application form which should be submitted to IRCA together with copies of your education & training certificates.

Please visit our website www.irca.org to download all relevant forms.

The Chartered Quality Institute

- The UK's professional body for quality management professionals
- Over 10,000 members
- Supports its Chartered Quality Professionals by providing quality management knowledge as well as recognition of their professional competence
- Many IRCA students and certified auditors also benefit from CQI recognition and knowledge service to complement their auditing skills
- For more information visit www.thecqi.org
